Written Financial Policy

Thank you for choosing Fulks Family Dentistry. Our primary mission is to deliver the best and most comprehensive dental care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients, by offering several payment options.

Payment Options:

- Cash, Check, Visa, Master Card, Discover Card, or American Express
- Convenient monthly payment plans from Care Credit
 - Allows you to pay over time
 - No annual fees or pre payment penalties
 - 12 months, no interest for charges over \$200.00
- We offer a 10% courtesy adjustment to patients who pay for their treatment with cash prior to completion of care for treatment plans of \$1000.00 or more.

Please note:

Fulks Family Dentistry requires payment prior to the beginning of your treatment. If you choose to discontinue care before treatment is complete, you will receive a refund less the cost of care received.

For patients with dental insurance, we are happy to work with your insurance carrier to maximize your benefit and directly bill them for reimbursement for your treatment. Most insurance plans are accepted at our office however, please note that INSURANCE IS INTENDED TO COVER SOME COST, BUT NOT ALL COST OF TREATMENT. We can only give patients an insurance estimate. You are responsible for all expenses not covered by your insurance. **Patient portions are due at the time of service.** After your insurance has paid, if there is a remaining balance, you will receive a statement of your account balance.

Fulks Family Dentistry charges \$25.00 for returned checks.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want and/or need.
